

PARTNERSHIP GUIDE FOR AGENTS

GLOBAL EDUCATION FOR GLOBAL CAREER IS HERE!

ABOUT THIS GUIDE

This guide is designed for agents who are currently partnering with, or planning to collaborate with, Paris International American University (PAIU). The purpose of the guide is to provide comprehensive information on the application process, scholarship and discount options, marketing strategies, and partnership opportunities for agents directing students to PAIU's academic programs.

How to become an Agent?

Fill out the Agency Information Form and submit it to apply@parisamerican.com.tr

After submitting the form, if eligible, you will receive an agency agreement.

Once the agreement is signed, you will be officially registered as a PAIU agent.

APPLICATION TO PAIU: USE OF AGENCY CODE

To simplify the application process, PAIU provides a unique agency code to each registered agency. Agencies can use this code to submit their students applications using the following methods:

OPTION 1

Online Application Portal

- 1. Obtain Your Agency Code:** Each agency receives a unique code provided by PAIU. Before starting the application process, ensure you have this code ready.
- 2. Enter the Agency Code:** During the application process, there will be a section to enter the agency code. This code helps identify that the application is being submitted through your agency.
- 3. Upload the Required Documents:**
 - **For Undergraduate Application:** High school diploma, transcript, passport, and English proficiency certificate (if applicable).
 - **For Master's Application:** Bachelor's degree, undergraduate transcript, passport, English proficiency certificate (if applicable), CV, and motivation letter.
 - **For Doctoral Application:** Master's degree, undergraduate and graduate transcripts, passport, research proposal, English proficiency certificate (if applicable), CV, and reference letters.
- 4. Complete the Application:** After all information and documents have been completed and verified, submit the application. Make sure the required application fee is paid.

OPTION 2

Submit Documents via Email

- 1. Prepare the Student Application Documents:**
 - **For Undergraduate Application:** High school diploma, transcript, passport, and English proficiency certificate (if applicable).
 - **For Master's Application:** Bachelor's degree, undergraduate transcript, passport, English proficiency certificate (if applicable), CV, and motivation letter.
 - **For Doctoral Application:** Master's degree, undergraduate and graduate transcripts, passport, research proposal, English proficiency certificate (if applicable), CV, and reference letters.
- 2. Send an Email to PAIU:** Send all documents in a single email to apply@parisamerican.com.tr.
Important: Don't forget to include your unique agency code in the email subject or body. This ensures the application is processed correctly.

OUR STRENGTHS

Paris American International University (PAIU) provides a high-quality, flexible education designed for ambitious learners who seek recognized credentials and a fast-track path to success.

Recognized by the French Ministry of Education

PAIU's programs are officially recognized by the ***French Ministry of Education***, which enhances the value of our degrees and reflects our commitment to delivering education that meets national standards. This recognition assures students and employers that a PAIU degree carries substantial credibility.

QUALIFI Accreditation

PAIU is accredited by ***QUALIFI***, one of the UK's respected awarding bodies. This accreditation ensures our programs uphold rigorous academic standards, preparing students with knowledge and skills that are valued and trusted in today's professional landscape.

Qualiopi Certification

Our Qualiopi certification demonstrates our dedication to quality processes in education. This French certification is a widely recognized quality mark, showing that our programs follow established standards to provide a structured, well-supported learning experience that meets industry needs.

Fusion Learning: Flexible and Engaging Education

PAIU's Fusion Learning model offers students an adaptable and immersive education. Blending French and American educational approaches,

Fusion Learning combines the convenience of online study with interactive, real-world applications, allowing students to balance their studies with other life commitments while receiving a meaningful, engaging education.

Fast-Track Advantage: Study at Your Own Pace

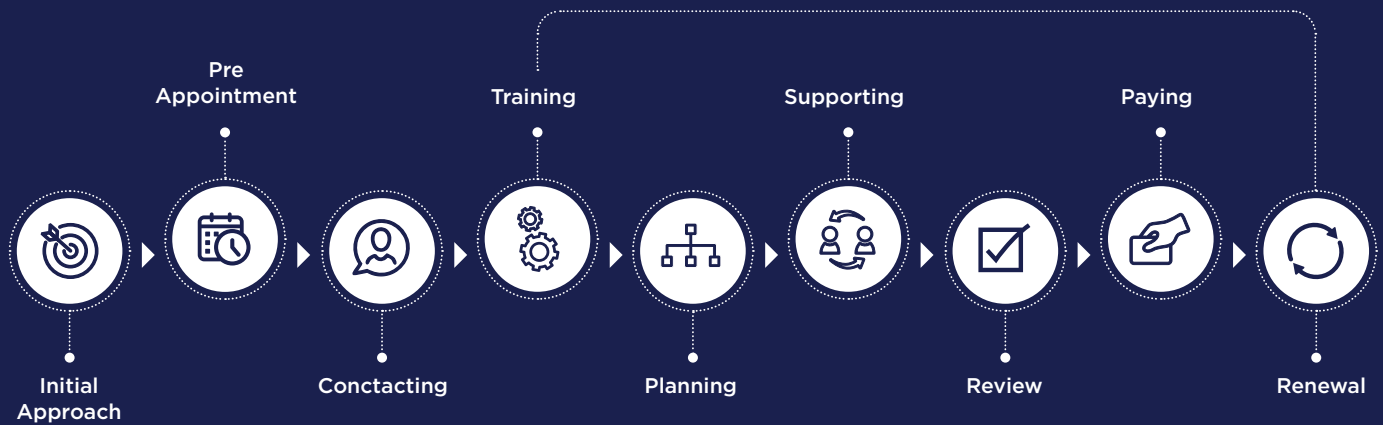

PAIU empowers students to progress at their own speed through our Fast-Track Advantage. This feature allows you to accelerate your studies if desired, enabling you to complete your degree in less time than traditional programs—without compromising the depth or quality of your education. The flexibility to set your pace makes it easier for you to reach your career goals sooner and transition into professional roles faster.

Your Path to Success Begins Here

At PAIU, we offer more than a degree—we provide a route to professional growth, backed by recognized accreditations, flexible learning options, and the opportunity to fast-track your studies. Join us and experience an education designed to empower you for success.
